

JUNE 2020 EDITION

Welcome to the
Gasline Newsletter

Published monthly by LPG and
Gas Associations of New Zealand

Gasline is published regularly as part of the industry's efforts to encourage the direct use of natural gas and LPG into households and small businesses.

Using natural gas and LPG as a direct energy source offers numerous cost, environmental and energy efficiency benefits. Gas New Zealand hopes to educate consumers and policy makers about the many advantages of making wider use of this strategic energy asset.

Challenging time a proud moment for industry

New Zealanders might be rightfully exhausted of COVID-19, but it shouldn't detract from the good deeds of essential workers to ensure it was business as usual across many industries.

Scholarships of up to \$5,000 for current and aspiring female leaders

Scholarships of \$1,000 to \$5,000 are currently available to women working in the gas sector to help support their participation in a range of online career building leadership development programs.

The initiative is providing junior through to executive women managers with scholarships to support their growth and development via participation in one of three flagship courses.

Participants will benefit from course content such as Emotional Intelligence and Conflict, Career and Professional Growth, Team Dynamics, Leading Innovation and Change, and Empowering Teams.

Find out more and register your interest by completing the Expression of Interest form [here](#) prior to Friday, September 11
