Welcome to the Gasline Newsletter
Published monthly by LPG and Gas Associations of New Zealand

Gasline is published regularly as part of the industry’s efforts to encourage the direct use of natural gas and LPG into households and small businesses.

Using natural gas and LPG as direct energy sources offers numerous cost, environmental and energy efficiency benefits. New Zealand hopes to educate consumers and policy makers about the many advantages of making wider use of this strategic energy asset.

Gas energy is here to stay – gas industry launches Future Sure campaign

New Zealand’s gas industry is today launching its Future Sure campaign, giving Kiwis confidence that gas energy will continue to flow well into the future.
