

GASLINE

MARCH 2021 EDITION

Welcome to the Gasline Newsletter

Published monthly by LPG and Gas Associations of New Zealand

Gasline is published regularly as part of the industry's efforts to encourage the direct use of natural gas and LPG into households and small businesses.

Using natural gas and LPG as a direct energy source offers numerous cost, environmental and energy efficiency benefits. Gas New Zealand hopes to educate consumers and policy makers about the many advantages of making wider use of this strategic energy asset.

Further developing biogas and hydrogen key to reaching climate goals, industry says

Eliminating new natural gas connections to buildings by 2025 "will have major and long-term implications for homeowners and businesses throughout New Zealand", the Gas Association of New Zealand (GANZ) says.

Renewable LPG achieves emissions budgets with no need to ban new LPG connections

Renewable LPG can supply New Zealand's LPG needs and achieve the emissions reductions proposed by the Climate Change Commission without the need to ban new connections, a new study shows.

Renewable LPG technology crucial component to meeting CCC's emissions budget

The LPG Association (LPGA) stated, in its submission to the Climate Change Commission's Draft Advice to Government, that it can achieve the proposed greenhouse gas reductions by migrating to renewable LPG.

GasNZ Forum 2021

Following on from the unfortunate need to cancel last year's forum due to impacts of Covid-19, the Gas and LPG Associations of New Zealand is pleased to announce that they are back on track for the GasNZ Forum 2021.

To be held 27-28 October, again at the Wairakei Resort in Taupo, the working theme for the event is Our Low Carbon Pathway.

The event will provide an opportunity to continue the conversation around next steps towards implementing a net zero carbon goal, and a unique chance to engage with decisionmakers in the natural gas and LPG industries.

New Rockgas GM looking to the future of gas

Jo Crawford is Rockgas' new General Manager, taking up the position in early March.

"I'm excited to have joined Rockgas at such an important time for the gas sector," says Jo.
